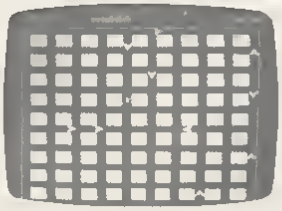
PREPARE YOURSELF FOR BIGGEST EVER PROFITS AND ADVENTURE WITH TARG™ FROM EXIDY.

Exidy's TARG™ is the latest in the new wave of fantasy adventure games designed to take off in any location! This full color video stimulates one- and two-player games of excitement, skill, and adventure! International graphics and a special coin accumulator permits the deposit of up to 99 coins.

COLOR ATTRACTION

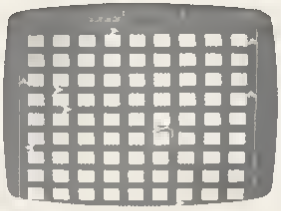
The heroic green "Wummel" (the player's spaceship) travels in columns and rows created by the squares of the Crystal City. His mission? To destroy the shrewd blue Spectar Smuggler who rarely raids the Crystal City and to dodge and shoot the angry red Targs who defend the secret hiding place of the Spectar.



GET READY, PLAYER 1!!!

Operator selectable, insert coin . . . a message to the player to man his controls! *Game play* begins with ten hostile Targs attempting to ram the Wummel. As game progresses, Targs become smarter and faster, increasing the threat to the player.

The player controls the Wummel's direction and speed with a 4-way defense joystick, and fires at the Targs and the Spectar for points by pressing a fire button. Wipe out all Targs and a new game screen is awarded, Targs become quicker and smarter, challenging the most advanced player.



BONUS!!!

Each Spectar hit, 100 to 500 points are awarded. Red Targs—10 points each. When all Targs are hit, 1000 points bonus is awarded and then each Targ hit increases by ten points. This bonus continues to increase by 1000 and Targs by 10, incrementally.
